CHALLENGE

Academic Partnerships needed to formalize the recognition process

SOLUTION

Utilizing Nectar's Employee Recognition and Rewards Platform

Don't even think twice about integrating Nectar. We've just had such a wonderful experience and amazing engagement among our employees. I'm happy that we've integrated Nectar into our culture.

Improved Culture

"Nectar is just a testament to the fact that we needed a recognition solution and we could do this on a daily basis contributing to a very positive culture."

Intuitive Platform

"Nectar is a lovely platform. It's intuitive, it's easy to use. I don't really have a bad thing to say about it."

Aligned to Company Core Values

"Every time an employee gives out recognition, they have to tag a company value associated with that recognition. And it's just something that really resonated with us as a big differentiator between Nectar and the competition."
